

Gray 329 Masonic Lodge
November / December 2009 Newsletter

Brethren,

We are combining the November and December newsletters.

The month of November has been exciting beginning the month having raised our newest Master Mason Bill Bradford. We continue to have a great turnout on

Thursday evenings for the work with our students. In particular, I want to thank Past Master John Minniece. He has been very active teaching candidates for the past several months.

I hope that Brother Minnece inspires and motivates more Brothers to spend some time teaching up at lodge. There is no better way for new Masons to get to know the other brothers of the lodge and support the upcoming membership. If any of you want to brush up on the work so you too can teach, we will be happy to get you back up to speed.

We will be having our semi-annual table lodge for the December stated meeting Wednesday, December 2nd. This will be a tiled meeting. The business portion will begin at 6:30 p.m. sharp and we will eat after the business meeting.

Our fund raiser for this table-lodge will be hand-crafted pens made by our brother Senior Steward Chris Matthews. Each pen will come with a certificate of authenticity and there will only be 20 made. Each pen is \$40.00 each and all of the proceeds will be contributed to the lodge.

Gray 329 will be dark from December 11th, 2009 until the stated meeting January 6th, 2010.

Gray 329 Lodge will also be having a citywide table-lodge with Jacque Demolay lodge on February 26th, 2010 starting at 7:00 p.m. at the Shrine Temple on Harwin. The featured speaker will be Chris Hodap. For reservations or information please contact Roberto Sanchez. His number is 281-536-3231. Please let him know if you are considering attending this event because this event is already attracting Masons from all over Texas.

Finally Brethren, I want to thank everyone for all the support I've received so far this year. I am so blessed to have such a great crew of officers - thanks guys.
